Ciszewskiego 8, 02-787 Warszawa

PAPER EVALUATION FORM

Title of the article:

1	General value of paper			
	a.	\mathbf{c}	Ļ	
	b.	Contains some innovative elements	ļ	
	c.	Contains no innovative elements		
2	Methods			
	a.	Properly selected and described		
	b.	Inacurately described		
		Improperly selected		
3	Research material			
	a.	Sufficient		
	b.	Insufficient		
4	Statistical methods			
	a.	Properly selected		
	b.	Improperly selected		
	c.	Can be accepted after introduction of reviewer's suggestions		
	d.	Lack of, although essential		
5	Ilustrations			
	a.	Adequate number and quality	ļ	
		Poor quality of illustration No	Ļ	
		Illustrations selected improperly		
6	Tables			
U U				
	a.	Properly prepared and clear	Ī	
	a. b.	Properly prepared and clear Table(s) Noshould be corrected	Ī	
	a. b. c.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient	Ī	
7	a. b. c.	Properly prepared and clear Table(s) Noshould be corrected		
	a. b. c. Interp a.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct		
	a. b. c. Interp a.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions		
7	a. b. c. Interp a. b. c.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient retation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections		
	a. b. c. Interp a. b. c. Refer	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences		
7	a. b. c. Interp a. b. c. Refer	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences Properly selected and listed		
7	a. b. c. Interp a. b. c. Refer	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences Properly selected and listed Listed unconformably with requirements		
7	a. b. c. Interp a. b. c. Refer	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences Properly selected and listed Listed unconformably with requirements Incomplete, important items omited		
7 8	a. b. c. Interp a. b. c. Refer a. b. c. d.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences Properly selected and listed Listed unconformably with requirements Incomplete, important items omited Inadequate selection of references		
7	a. b. c. Interp a. b. c. Refer a. b. c. d.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences Properly selected and listed Listed unconformably with requirements Incomplete, important items omited Inadequate selection of references of measurements		
7 8	a. b. c. Interp a. b. c. Refer a. b. c. d. Unit s a.	Properly prepared and clear Table(s) Noshould be corrected Improperly prepared or insufficient oretation of results Correct Can be accepted after introduction of reviewer's suggestions Calls for major corrections ences Properly selected and listed Listed unconformably with requirements Incomplete, important items omited Inadequate selection of references
