

Announcement No 1

European Bison Friends Society

**would like to invite you
to the
Scientific Conference**

100 YEARS OF WISENT RESTITUTION

**conducted on September 6 - 8, 2023 in a hybrid mode:
on-site in the Centre Borek (near Cracow)
and online**

CONFERENCE AIM

The conference is organized jointly with the Niepołomice Forest Inspectorate and the Warsaw University of Life Sciences under the honorary patronage of the Director General of State Forests. The goal, as every year, is to share information, both practical and research results, on the European bison. It will be the twentieth jubilee international meeting, which will take place at the Centre of Active Recreation in Borek (near Cracow).

This year's conference has a special character because it is 100 years since the establishment of the International Society for the Protection of European Bison, an organization that undertook the restitution of the species decimated during the First World War. The activity of the International Society for the Protection of European Bison, including the Polish branch, resulted in the removal of the threat of extinction of the European bison, and after many years it was possible to reintroduce the European bison to the nature. The population of the species is currently 200 times larger thanks to the joint work of many people and institutions. For this reason, we are planning a special jubilee meeting on the eve of the conference.

CONFERENCE PROGRAM

September 6th (Wednesday)

On this day, we are planning a jubilee session to celebrate the 100th anniversary. Invited speakers will present the history of the International Society for the Protection of European Bison, the European Bison Pedigree Book and the oldest breeding centers. Profiles of people thanks to whom the European bison returned to Poland will also be presented.

After the lunch, we suggest a trip to the European Bison Breeding Center in Niepołomice.

In the evening we invite you to a gala dinner.

September 7th (Thursday)

We plan to hold the session in the conference room, ending with barbecue dinner.

September 8th (Friday)

We plan to continue our session in conference room. For those who are interested we are planning a trip to the oldest in Poland Salt Mine in Bochnia (2.30 p.m. – 5.30 p.m.; a very attractive trip, but it takes a lot of walking, it will be payable additionally); the number of participants is limited.

A detailed program of presentations will be determined after collecting applications, and sent in a forthcoming announcement.

PLACE OF CONFERENCE

The conference venue will be **The Centre of Active Recreation** (Borek 302, 32-765 Borek, <https://centrumborek.pl/>) and a "live" broadcast will connect those who cannot be there.

CALL FOR PAPERS

We invite you to present results of projects and your experiences in the form of oral presentations: standard presentation (approx. 15 slides, 15 min + 5 min discussion) or short communication (up to 5 min, so-called e-poster + 5 min discussion).

CONFERENCE MATERIALS

Summaries of presentations in English will be published as conference materials. Please prepare summaries of a volume from 1500 to 3000 characters, containing the title, names of authors and their affiliations.

PUBLICATION IN THE JOURNAL EUROPEAN BISON CONSERVATION NEWSLETTER [EBCN]

We encourage you to publish your papers in the 15th annual of the scientific journal **European Bison Conservation Newsletter [EBCN]**. Published papers - only in English - will be reviewed. Details on the guidelines for preparing papers can be found on the journal's website at: <http://ojs.wisent.org/index.php/czasopismo>

DEADLINES

First registration	May 31 st , 2023 (for people who want to submit a presentation)
Papers for publication in EBCN	June 10 th , 2023 (final deadline)
Presentation's summaries	July 31 st , 2023

ACCOMMODATION

IMPORTANT: Conference participants book accommodation by themselves.

In addition to the Centre of Active Recreation in Borek, we will post a list of hotels in the area on the conference website. Accommodation costs, payable individually at the hotel, are covered by the participant (can be paid by card).
